Aeris® Automatic Tire Inflation System Special Limited Warranty

This warranty applies to the Aeris® automatic tire inflation system (Aeris) when used in conjunction with the Platinum Performance Plus System. STEMCO LP warrants to the Buyer that all components of its manufacture will be free from defects in material and workmanship. STEMCO further warrants that the installation of the Aeris system in accordance with STEMCO's written installation instructions will not compromise the structural integrity of the axle on which it is installed. This warranty applies to components installed on new vehicles licensed for on-highway, line haul use only, under normal use and service.

When used with the Platinum Performance Plus System, which includes the Guardian® HP or Discover® Seal, the Pro-Torq® Axle Fastener, the Sentinel® Hub Cap and the STEMCO® Bearings, this warranty extends for a period of seven years and unlimited mileage on trailers, from the date of manufacture, with the exception of air hoses and air tubing, which are warranted for two years from the date of manufacture. The air filter cartridge is covered for one year from the date of manufacture. A warranty registration certificate must be filed with STEMCO, when the Platinum Performance System is installed with Aeris, to validate the warranty period. This warranty excludes normal wear and tear, as well as any failure, malfunction or damage to a component or axle as a result of improper installation or adjustment, accident, improper use, or improper or insufficient maintenance (including use with worn components such as spindles or bearings).

The Buyer's exclusive remedy under this warranty shall be the repair or replacement of STEMCO components and a labor amount determined by STEMCO for the removal of any affected parts. STEMCO reserves the right to require that all warranty claim components are available and/or returned for review and evaluation.

STEMCO shall not be liable for any claim, whether arising from breach of contract, negligence, strict liability or otherwise, in excess of the purchase price. In no event shall STEMCO be liable for special, incidental, indirect or consequential losses or damages of any kind.

This warranty is in lieu of all other warranties or conditions, expressed or implied, including any implied warranty of merchantability or fitness for particular purpose.

This is the only warranty offered by STEMCO and no STEMCO employee or representative is authorized to make any additional warranty terms on behalf of STEMCO.
